

## LEAD BASED PAINT BROCHURE CERTIFICATION

I/We have received a copy of, have read and understand the contents and importance of the brochure "**Protect Your Family From Lead in Your Home**".

The above brochure refers to buildings built prior to 1978. The Atlanta Property Management properties were constructed between 1984 and 1986; therefore, the PHA sees no problem with lead base paint poisoning.

Sincerely,

Stacia J. Waters
